

THERE'S  
**MORE TO SAY**  
AFTER  
**RUOK?**<sup>TM</sup>

**Ask RUOK?**

How are you travelling?

You don't seem yourself lately – want to talk about it?

**Listen with an open mind**

I'm here to listen if you want to talk more.

Have you been feeling this way for a while?

**Encourage action**

Have you thought about speaking to your doctor or a health professional about this?

What do you think is a first step that would help you through this?

**Check in**

Just wanted to check in and see how you're doing?

Have things improved or changed since we last spoke?
